Dear Charmin and friends of Sleeping Prince, Wow what a wonderful Christmas and Holiday Season here in the Good Samaritan Hospital NICU because of all the amazing donations provided by you! The unit was at full capacity on Dec 23 when we handed out the gifts. The families were so excited to find a gift at their baby's bedside. The presents made the baby's cubby looks so festive! Thank you to each and every one of you that donated items to Sleeping Prince.
