

# Support Us: How You Can Make a Difference

## In-Kind Donations

Your generous in-kind donations can directly impact families in need. We accept a variety of items, including baby care products, comfort items, and essentials for NICU families. These donations help ease the burdens faced by families during challenging times.

### **In-Kind Donations**

Donate essential items like baby care products and comfort items to support families in need.

### **Donations to Initiatives**

Contribute directly to our programs, such as family counseling or bereavement support, to make a targeted impact.

### **Monetary Donations**

Financial gifts help fund our services and cover operational costs, making a significant difference in families' lives.

### **Volunteer Time**

Share your time and skills to assist with events, organize donations, and support families in our care.

### **Corporate Partnerships**

Partner with us through financial support, in-kind donations, or event sponsorships. Enhance your corporate social responsibility while making a meaningful impact.

### **Get Involved!**

To donate or learn more about volunteering and corporate partnerships, visit our website or contact us today.

# Sleeping Prince Foundation

Compassionate Family  
Support

# Who We Are

## Our Mission

The Sleeping Prince Foundation provides dedicated support to families with children in the Neonatal Intensive Care Unit (NICU) or those who have experienced the loss of a child through miscarriage, stillbirth, or Sudden Infant Death Syndrome (SIDS). Our services include family counseling, bereavement support, and financial assistance for displaced families. Founded in 2012 in memory of Prince Charles Jeremiah Spencer, we operate with the generous support of family and friends. In 2020, we proudly achieved 501(c)(3) nonprofit status.

# Our Objectives

# 1

## Provide Comprehensive Support Services

Objective: Offer a range of support services to families, including emotional mental health resources, bereavement support, and practical assistance such as financial aid and donated items, to help them navigate the challenges of having a child in the Neonatal Intensive Care Unit (NICU) or coping with the loss of a child.

# 2

## Enhance Community Awareness and Engagement

Objective: Raise awareness about the challenges faced by families affected by miscarriage, stillbirth, and Sudden Infant Death Syndrome (SIDS) through community outreach, educational programs, and partnerships with healthcare providers, to foster a supportive and informed community.

# 3

## Expand and Sustain Resources and Funding

Objective: Secure and increase funding through grants, donations, and fundraising events to ensure the sustainability of the Foundation's programs and services, and to expand its reach to support more families in need
